SUMMARY

Design lead with ten years in brand, video, motion, and events, most recently in B2B tech. Co-founded the design agency Tandem Digital. At Milestone Technologies, leads the in-house creative studio and acts as global brand custodian, art directing campaigns, events, and executive presentations for C-suite stakeholders. Uses AI tools in concepting, motion, and voiceover to keep turnaround tight.

EXPERIENCE

Milestone Technologies | Hyderabad Dec 2023 – Present

Design Lead, Creative Studio

- Joined right after the rebrand and drove adoption of the new brand guidelines across all global teams. Remain the brand custodian.
- Overhauled the company's LinkedIn creative after the rebrand, lifting average post engagement about 8x.
- Helped build the in-house creative studio within marketing. Lead its creative direction, design reviews, vendors, and operations, and mentor its designers.
- Art directed 15+ client and partner events, including programs with Salesforce, ServiceNow, Netflix, and Amgen, directing shoots and vendors on the ground in India and designing collateral for US events such as Dreamforce.
- Produced and delivered the C-suite keynote decks, videos, and event visuals for the SKO25 sales kickoff within 72 hours, earning a Certificate of Appreciation from the CRO.
- Branded four offices across India and the US, including client experience centers.
- Built AI into the studio workflow for briefs, scripts, concepts, motion, and voiceover, and automated request tracking with Power Automate.
